Per Pastry

A proven product... a simple program... a great experience.

Butter Braid® pastries are made from sweet, yeasted pastry dough, layered with 100% real butter and contain zero grams trans fat. This gives Butter Braid® pastries a flaky outside and a tender, light, airy inside as each layer raises up while baking. As you take a bite of "The One And Only Butter Braid® Frozen Pastry Dough", you will be biting into over 16 layers of warm goodness.

Each Butter Braid® pastry contains a mouthwatering filling such as tart apple, warm cinnamon or smooth strawberry & cream cheese. These fillings are laid atop the dough and wrapped up as the caring makers of Butter Braid® pastries hand-braid the dough sealing in the filling. The Butter Braid pastries are then frozen to seal in the homemade flavor and freshness.

To top it all off, each Butter Braid® pastry comes with an icing packet to complement the filling inside. Drizzle it over the baked pastry and you have a breakfast, snack or dessert that will leave you (and your guests) begging for more!

Butter Braid pastries come frozen, allowing you the choice of when to thaw, rise, bake and eat! You can watch your pastry double in size and smell the irresistible aroma of the pastry as it bakes. We recommend that you share your pastry with others, but we won't tell if you happen to keep it all for yourself!
