Per Pastry

"Your fundraiser should taste this good."

Pastry Puffins are a classic puff pastry made with hundreds of alternating layers of dough and European style Plugra® butter containing zero grams trans-fat. These layers make for a light, melt-in-your-mouth, flaky, irresistible pastry treat. Each pastry is filled with one of the six available flavors to create a delectable combination like those you'll find only in an exclusive pastry shop.

One frozen package of Pastry Puffins contains 12 individual Puffins. The Pastry Puffins are freezer-to-oven easy to prepare. No thawing or overnight raise time required. Place any number of the individual pastries on a cookie sheet, put into a preheated oven and bake to a golden brown, approximately 25-30 minutes. Drizzle on the enclosed frosting and you will have a hot European style pastry to enjoy. Mix and match any number of flavors and return the unbaked dough to your freezer for later use.

The freezer to oven ease of the Pastry Puffins makes them a spur of the moment breakfast treat or a popular after school snack. The Pastry Puffins are not available for purchase in the retail market. This fact will have people stocking up to enjoy a hot pastry at any time or occasion.

Available Flavors...

Cinnamon

Blueberry & Cream Cheese

Cream Cheese

Caramel

Frequently Asked Questions

How long does this fundraiser take?

We will assist you in setting your sale dates. A normal selling period is 2-3 weeks. The date the sellers should return their order and the delivery date are both printed on the forms. The delivery date is scheduled before your sale starts, usually 12-14 days after the order is submitted.

Is there a minimum order?

Yes, there is a minimum order size for a sales program based on your location. Please refer to the fundraising information page on our website for your areas specific minimum order.

How does payment work?

There are no upfront costs to begin your sale. Payment for your order is not due until your sale has been completed. Collect money as you sell and use a portion of this fund to purchase your product, the remaining balance will be the profit for your sale. One check payable to Kittelson Marketing is due at the time of delivery.

What should I expect at delivery?

Your delivery is set up to accommodate your group's schedule. Working with frozen products we do our best to deliver at a time when your sellers can pick up their orders to avoid having to find freezer space. Our representative will assist you in sorting and organizing your order as well.

Each package weighs 23oz and contains 12 Pastry Puffins.
